## SPADES

The ideal solution for leveling tubs, hand-mixing and hand-packing. Designed to match the radius of ice cream cartons for faster, cleaner knock downs. Simply scrape the side of the carton and level the top of the ice cream to increase yield and prevent ice crystals.

- Extended handle prevents contamination.
- Thicker blade for longer service life.
- Self-defrosting fluid sealed in the handle.
- Design for right or left hand use.
- Regular use will help to reduce waste.
